Wild Times and Wing's Wildlife!

Jack and his support worker, Ajay, have recently been to Wing's Wildlife Park in Gunns Plains. They got to see a whole array of Australian wildlife, birds of prey, farm animals, meerkats, marmoset monkeys, reptiles, fish, and Tango the parrot...who said 'Hello!' to Jack on their visit!

"It is a different world today from what it was then. It will be a different world tomorrow from what it is today."
