Trucks and Pizza

On one of those recent rainy days, David and his support worker, Jackie, constructed a new crane truck that David recently got. They both made homemade pizzas, for lunch afterwards – yum!

A little bit about Elvira...

What makes you laugh?

Some jokes and my own bloopers

What is your favourite thing to do?

Gardening, meditation, playing guitar, photography, cooking Asian food, writing poetry, reading and just being with people!

If you could live anywhere, where would it be?

Tasmania because it's a very old school place, rugged and just a stunning place, and I love the cold. Soil and climate are just absolutely great to grow plants. I know that life can be hard here but there's always a support from someone if you know how to reach out

A little bit about Mitch...

What makes you laugh?

Silly jokes and puns

What is your favourite thing to do?

Cook, swim, draw and learn

If you could live anywhere where would it be?

Costa Rica; I have been there and it's such a beautiful country with amazing food
